- Developed a VLM-based method for consistency verification across document collections.

AWARDS & HONORS

- Academic Excellence Scholarship (Full Tuition), SeoulTech
2024 Fall – 2026 Spring (4 consecutive semesters)
- 2nd Place (Overall), Dept. of Computer Science Joint Club Hackathon
AI Early-Warning System for Small Business Owners (Oct. – Nov. 2025)

ACTIVITIES

LIKELION University

2025 – 2026

Vice President (2026) and Member (2025) at SeoulTech

Seoul, Korea

Google Developer Groups on Campus

2026

Core Team (App Track) at SeoulTech

Seoul, Korea

Exchange Program, Technische Hochschule Ulm

Jan. – Feb. 2026

Visiting Student

Ulm, Germany

CERTIFICATES

- Building Transformer-Based Natural Language Processing Applications
NVIDIA Deep Learning Institute (Apr. 2025)

LANGUAGE

- Korean: Native
- English: TOEIC 925 (Feb. 2024)
